

The Journey of Faith begins with your questions

What is faith? How does faith grow? What do Catholics believe and why is it different from other faith traditions?
How different is it really?

Classes for the Christian Initiation of Adults are available for anyone who wants to learn more about the Catholic faith. The process begins with an "Inquiry" period, when questions lead to exploration. Drop in – no obligation, no commitment, no pressure – at our Q&A sessions.

The second phase is the "Catechumenate" period for those who are interested in becoming fully Catholic. Classes end in the "Mystagogy" period, with a focus on how to identify God's special calling and purpose for your life.
