

This preview can be printed as a sample to see how easy it is to use!
Print it double-sided, then cut it into two cards and fold in half.
Use it year after year, sending it to those who went through the previous year's RCIA program.
It's a great way to continue to inspire neophytes and perhaps even get them involved in next year's program.
After you order this and download it, you will adapt it for your church by changing the text in editable zones.
