TO WHOMEVER IT MAY CONCERN

This is to certify that I, Fr. Erasto Fernandez belonging to the Blessed Sacrament Congregation have been regularly availing myself of the reflections offered by Terry Modica through the Good News Ministries. I find these reflections very inspiring and practical and would recommend them to everyone who wants to go deeper and in a more personal way into the meaning and application of Sacred Scripture to our Christian lives today.

With every good wish

[Fr. Erasto Fernandez, sss]
