

Blessed Sacrament Church

August 21, 2010

I have been ordained a Catholic priest for 31 years. Currently I am in the Diocese of St. Petersburg, Florida, for the past 15 years. Terry and I first met 14 years ago. I was referred to her from our Diocesan staff as a resource to further explore evangelization in the Catholic Church for our parish renewal.

Ever since then I have read her daily and Sunday Reflections. Our parish uses her as a resource in our Small Community Meetings as well as the opening for all of our ministry meetings.

Never once have I found anything in her writings that could even give the slightest hint against the Dogmas and Teachings of the Catholic Church. I attribute the success of her ministry as a fruit of the Holy Spirit. As Jesus told the disciples that we will know them by their fruits.

Please take to heart that Terry Modica is a true servant of the Lord Jesus and would do nothing to harm Him or the Catholic Church.

Sincerely in Christ Jesus,
